Min. turning radius (m)		5.7	
Front boot volume (L)		53	
Boot volume (L)		400	

 $^{{\}it 4. Power consumption is calculated in accordance with Regulation (EU) 2017-1151.}$

^{7.} Towing capacity is only available for OEM-verified towbar, please contact your dealer or BYD official for further details.

Dimensions (mm)	Design Excellence AWD
Length	4800
Width	1875
Width with extended exterior mirror	2150
Height	1460
Wheelbase	2920
Front track	1620
Rear track	1625

^{5.} The WLTP range and consumption values are obtained under standard EU test conditions, according to the uniform provisions concerning the approval of motor vehicles with regard to the emissions based on the new World Harmonized Light Vehicle Test Procedure (WLTP). The actual range and energy consumption figures may vary due to a number of factors such as weather conditions, traffic situation, vehicle load and driving behaviours.

^{6.} Charging times and charging speed may vary due to different factors such as battery temperature, specs of charging infrastructure, state of charge. A CCS2 DC charger with the output higher than 150kW and the voltage higher than 650V, as well as the suitable ambient temperature (25°C) are required to achieve the maximum charging speed.
